

THE CIGS MODEL

JEM TEAMS

COMMUNITY INVOLVEMENT GROWTH STRATEGY

Organizational Model

- **General Manager** - Provides direction and leadership for the entire operation
- **Network Services Director** - Manages relationships with service providers
- **Finance Director** - Manages all financial transactions
- **Team Operations Director** – Manages internal communications between all “people groups”
- **Workshops & Special Events Director** - Manages all engagement activities
- **Communications & Distribution Director** - Manages all external communications

Keys To Success . . .

- Determine the activities, programs and/or events
- Select and commit to your team
- Agree upon and understand scope of responsibilities
- Plan your work, then work your plan accordingly
