### Our Service Lines

**The Community On Demand Digital Media Network** is a marketing and distributions platform that integrates STEAM education, virtual currencies, cooperative marketing, e-commerce and flexible, blended-learning employment solutions.

**The NEXT Steps Online Training Academy** is our online learning management system and gaming platform that promotes, manages and supports the NS-SBI brand of educational technologies that include online courses, workshops, service-learning projects and the TRU Digital Badge & Skillcoin Rewards Micro-Credentialing System™.

**The NEXT Steps Small Business Incubator** is our manufacturing company that offers consultations, skills assessments, strategic development models, partnership plans, and curriculum licenses to members of our Partners In Education Network that want to create integration strategies for our Money Guide curriculum series, Community On Demand STEAM Education & Life Skills Development Game, Gamers & Mixers Esports League, and I Am STEAM edtech brands.

**The NEXT Steps Partners In Education (NSPIE) Network** is our membership program that is comprised of the students, volunteers, mentors, non-profit organizations and for profit businesses that invest in STEAM education.

**The Pop Shop Ecommerce Marketplace** is our internet marketing company and ecommerce platform that helps members of our Partners In Education Networks hire, promote, monetize and distribute the products, services and economic solutions as they convert their achievements into film, music, radio, TV, gaming, publishing, arts and entertainment products, services and enterprises.

**STEM Direct** is our staffing service that creates and monitors our internships, apprenticeships, community-based service-learning projects and work-based learning experiences/

NEXT Steps is creating a central operating facility to support our global marketing strategy for all NEXT Steps Partners In Education Networks. This operation will serve as the Community Development Research Center (CDRC) and will be serviced by NEXT Steps' Executive Management Team.
